Searching C# resumes

The screenshot displays a web application titled "Resume Portal!". The interface includes a dark blue sidebar on the left with a user greeting "Welcome, admin" and navigation links for "GENERAL", "Master", and "Resume". The main content area is titled "Resume" and features a search bar with the text "C#" and a "Search" button. A green "Add Resume" button is located in the top right corner. Below the search bar, two resume entries are shown as cards. Each card displays the role, location, and company name, followed by a "View" button.

Delete confirmation using Sweatalert

The screenshot displays a web application interface for a 'Resume Portal!'. A modal dialog box is centered on the screen, asking for confirmation to delete a resume. The dialog features an orange warning icon, the text 'Are you sure?', a warning 'You won't be able to revert this!', and two buttons: 'Yes, delete it!' (blue) and 'Cancel' (red).

The background interface includes a sidebar with a 'Resume' menu item, a main header with a search bar, and a table of resume entries. The table has columns for Role, Location, Company, Created By, and Action. The 'Action' column contains 'Edit' and 'Delete' buttons for each entry.

View Permission,also can search filter sort table as it has dataTabe feature

The screenshot displays a web application interface for a 'Resume Portal'. On the left is a dark sidebar with a logo and navigation links: 'Master' (with sub-links for Roles, Location, Company, Employees) and 'Resume'. The main content area shows a table of employees. A modal window titled 'Employee Permissions' is open, showing a table with permissions for Role, Location, Company, Employee, and Resume, all marked with checkmarks. The background table has columns for #, First Name, Last Name, Email, and Action. It contains 5 entries. At the bottom, there is a pagination bar showing 'Showing 1 to 5 of 5 entries' and navigation buttons for 'Previous', '1', and 'Next'.

Hi test2, thank you for registering in our Resume Portal. Your details are as follows --First Name:test2,Last Name:test2,Username:test2,Email:raiyan@arivani.net,

Now test2 can login

The image shows a web application interface for a 'Resume Portal!'. On the left is a dark blue sidebar with a paw print icon and the text 'Resume Portal!'. To its right is a light gray header bar containing a hamburger menu icon. The main content area is light gray and features a centered white login modal box. The modal box has a title bar labeled 'Login'. Inside the modal, there are two input fields: the first is labeled 'Username:' and contains the text 'test2'; the second is labeled 'Password:' and contains a series of dots. Below these fields is a blue button labeled 'Login'.

Can add Role

The screenshot shows a web application interface for adding roles. On the left is a dark blue sidebar with the logo 'Resume Portal!' and a user greeting 'Welcome, admin'. Below this is a 'GENERAL' section with two menu items: 'Master' and 'Resume'. The main content area has a light gray background and a title 'Add Roles'. A white form box is centered, containing a text input field with the placeholder 'Please Enter the Role'. Above the input field, the text 'Role: Required' is displayed in red. To the right of the input field is a blue 'Back' button, and below it is a blue 'Submit' button.
